

## MINI PINCH VALVE

### Design Considerations

The Pinch Valves Series promotes a compact design with multiple configurations to fit 1/4 OD Tubing applications. The Mini Pinch Valve features a small Electroless Nickel Plated Knurled Knob.

### Specifications

Body: Electroless Nickel Plated Brass  
 Pinch Needle: Electroless Nickel Plated Brass  
 Knob: Knurled

Maximum Operating Pressure – Refer to Tubing Specs  
 Maximum Operating Temperature – Refer to Tubing Specs  
 CV – Refer to Tubing Specs
